Dear **Destiny**,

Re: Redeployment

In line with the new strategic mandate of the organization, please be informed of management's approval of your redeployment to **Inclusio** as the **Software Engineer** effective **October 1st, 2024**.

In this new role, you will report to the **Lead, Frontend Engineering** who will discuss your role, responsibilities, and key performance indicators with you.

Please note that the terms and conditions of your employment, as well as your compensation and benefits remain the same.

We are optimistic that you will utilize this new opportunity in driving optimal performance, increased productivity, and strategic repositioning of the company.

We wish you the very best.

Yours Sincerely,

For: Interswitch Limited
