## Conditions d'utilisation de la plateforme QTB de Multipay

### **Généralités.**

In these Terms of Use, Multipay's QTB platform means the tool through which different mobile payment solutions or applications for merchants and customers pass. This platform is provided by Multipay Congo and allows you to view the content as well as the characteristics and functionalities that will make different types of transactions between customers and merchants possible.

In addition, as a business platform, the User's use of the QUICKTELLER platform will be subject to any applicable card system rules, applicable regulatory directives, or any other rules/provisions communicated by Multipay Congo in due time.

All such guidelines or rules are hereby incorporated by reference into these Terms of Service.

Minor users, i.e. under the age of 18, must consult these general conditions with the assistance of a parent or guardian.

By accepting these Terms and Conditions, you agree to be bound by these Terms and Conditions, as amended from time to time and published in the media.

If you object to any of the said provisions, please refrain from using or accessing the Multipay Congo QUICKTELLER platform.

[info@multipay.cd](mailto:info@multipay.cd)

- QTB: is a payment platform allowing merchants to accept electronic payment from customers using any mobile money network or bank card through a payment interoperability gateway in accordance with instruction 42 of the BCC.
- REGISTRATION FORM: document containing the information of the application user.
- USER GUIDE: a document describing the use of the Multipay QTB platform, as well as the application associated with it.

## 2. DESCRIPTION OF THE QUICKTELLER COMMERCIAL PLATFORM

The Quick Teller Business is a multi-channel web and mobile acquiring platform that, as a payment gateway, allows users to accept electronic payments via credit and debit cards, electronic wallets (eWallets), through of unstructured supplementary service data (USSD) and with rapid response.

It also allows users to distribute the settlement or clearing of funds received via QUICKTELLER.

The QTB business platform can interact and connect to multiple bank accounts.

## 3. QUICKTELLER COMMERCIAL PLATFORM LICENSE

**3.1.** Multipay Congo grants the User of its platform the right to use the QTB on its website, or via a user's mobile application; in these specific cases, the user undertakes to respect the terms and conditions as established.

**3.2.** Multipay Congo grants the user a non-exclusive and non-transferable license to use the QTB business platform for the duration of these General Conditions, solely for the purposes of collecting payments via its website (communicated and approved

by Multipay Congo, expressly in writing) for its goods and/or services (communicated and approved by Multipay Congo, expressly in writing).

However, apart from the measures specifically authorized by these General Conditions, the User cannot “sublicense”, transfer or assign his right to use the QUICKTELLER BUSINESS PLATFORM to others.

**3.3.** The user must comply with the implementation and use requirements contained in any Multipay Congo documentation accompanying the QUICKTELLER business platform and communicated to the User where applicable.

## 4. USER RESPONSIBILITIES AND COMMITMENTS

### 4.1. The user:

has). cannot under any circumstances make any guarantee in any form whatsoever, or even a representation of any kind whatsoever in relation to the Quick teller Business platform which could engage Multipay Congo or incur its liability in any way whatsoever.

b). must comply with all security or encryption standards, rules and procedures imposed by Multipay Congo.

vs). shall be and remain compliant with the Payment Card Industry Data Security Standard (PCIDSS) (where required by Multipay Congo), and follow the security of the applicable card system as required during the duration of these T&Cs.

d). must provide, if Multipay Congo requires it, a copy of its PCIDSS certificate of conformity, the applicable documentation such as the certificate of conformity and the conformity report and, where applicable, at each renewal thereof.

e). must ensure, if Multipay Congo requires it, that it has implemented protection and monitoring against fraud, a tool of the highest level, and provide proof thereof to Multipay Congo.

[info@multipay.cd](mailto:info@multipay.cd)

- f). must establish connections to other systems that Multipay Congo may require from time to time.
- g). must inform Multipay Congo of any change in its bank account/settlement account details; said change will only be made when the user has provided tangible proof to Multipay Congo that it has communicated this change to the former settlement bank.
- h). must not use the cardholder's payment card details, including but not limited to primary account, number (PAN) or card number, personal identification number (PIN), the verification of the Value card (CVV), for any purpose other than that of facilitating the payment authorized by the card holder.
- i). must keep all digital certificates approved for site authentication current and valid and take all necessary measures to protect the security and secrecy of its site certificates.
- j). must inform Multipay Congo of any change in the Internet protocol address of its website used for different payment operations.
- k). must not offer for sale on its site any goods or services not expressly indicated when registering the User's website with Multipay Congo. In the event of default by the user, Multipay Congo must, without any liability incurred, immediately withdraw its services and thus terminate the QUICKTELLER Service BUSINESS PLATFORM contract provided under these T&Cs.
- L). must only accept payments and/or process refunds from cardholders or customers in connection with goods and/or services that have been provided to the relevant cardholder or customer.
- m). must carry out the necessary KYC (Know your customer) and due diligence on all its customers.
- not). must implement an authentication system that complies with the requirements and regulations of the Central Bank of Congo.

**6.1.** Multipay Congo will be entitled to a fee for each successful transaction via the QUICKTELLER BUSINESS PLATFORM as detailed below:

has). 1.5% fee (with a maximum cap of .....FC) per successful card transaction, excluding VAT.

b). For each successful transaction made with an international card, the fee is 3.8%, with exclusive VAT.

**6.2.** Multipay Congo reserves the right to revise these fees, as well as any other fees from time to time, based on notice to the User.

**6. 3.** Multipay Congo will deduct all fees and charges from successful transactions before remitting them to the user.

**6.4.** All payments to be made by the User on this service will be payable without charge, as will any deduction, claim, counterclaim, compensation, notice or demand.

**6.5.** No fees or charges incurred by the User in connection with this service will be timely refundable in the event of termination, regardless of the cause.

**6.6.** The User acknowledges that Multipay Congo may be subject to compliance with instructions received from member banks of the Multipay network for any transaction on/to the User's designated account and agrees that no liability will be attributed to Multipay Congo for following such instruction.

**6.7.** If for any reason, a Bank where the User's designated account is domiciled ceases to belong to the network, the User must, within 14 working days following receipt of written notice from Multipay Congo, provide an account for purposes of transactions with one of the other participating banks.

**6.8.** When complaints exceed 1% of the user's total sales processed within one month, Multipay Congo reserves the right to put the User on a chargeback tracking service, which may be subject to applicable fees, as communicated by Multipay Congo. A user will be liable for fees and charges at least 6 months after the last transaction processed.

## 9. REFILLS AND REFUNDS

**9.1.** In certain circumstances, card issuers, card schemes and/or other financial institutions may require reimbursement for a transaction previously settled and/or delivered to a User, despite authorization having been obtained from the card issuer and/or other financial institution (such circumstances being a “chargeback”).

**9.2.** The user acknowledges and accepts that under all applicable rules, regulations and operating conditions of the guidelines issued by the Reference Institutions, the Central Bank of Congo relating to cards, transactions and other methods of payment and processing of data, the User may be required to reimburse Multipay Congo for chargebacks in cases where the User has accepted payment in respect of the relevant transaction.

**9.3.** All chargebacks must be for all or part of the settlement value of the original, or an amount equivalent to the original settlement currency at the exchange rate stated for settlement purposes on the day the chargeback is processed.

**9.4.** In the event of a chargeback, Multipay Congo will immediately have the right to debit the user's account according to their Settlement Bank, and/or make a deduction from any discount and/or invoice.

It is up to the User to recover:

has). the total amount of the chargeback concerned; And

b). any other costs, expenses, liabilities or fines that may be incurred as a result of connections with such chargeback (“Chargeback Costs”).

**9.5.** A chargeback represents an immediate liability of the user to Multipay Congo, or the full amount of any chargeback and/or

any chargeback fees shall not be debited by Multipay Congo from the User's merchant bank account, or deducted from any remittance, or charged while Multipay Congo shall have the right to otherwise recover from the User by others channels the total amount of such chargebacks and chargeback costs (or the balance thereof, as applicable).

### Multipay Congo SA

[info@multipay.cd](mailto:info@multipay.cd)

**9.6.** Multipay Congo will not be obliged to investigate the validity of any chargeback made by any card, Issuer, card system or other financial institution whose decision will be final and binding with respect to any chargeback.

**9.7.** As chargebacks may occur long after the transaction date, User acknowledges and agrees that, notwithstanding any termination of this relationship for any reason, the relevance of the chargeback remains.

**9.8.** Multipay Congo will remain entitled to recover chargebacks and chargeback costs (and/where provided with any guarantee, entity or security relating to the User, obligations under this relationship) with respect to all chargebacks that arise in connection with transactions carried out during their duration.

**9.9.** Multipay Congo reserves the right to transmit and immediately recover from the User all fines incurred and/or impose additional costs on the User, and/or terminate the relationship immediately if it considers that the value total refunds and/or chargebacks is unreasonable.

**9.10.** The user acknowledges that it is his or her responsibility to demonstrate that he or she is satisfied with Multipay Congo (or the relevant card issuer, or other financial institution), and that the debit of a customer or the account of the holder of the card has been authorized by this customer or cardholder and this value has been given to the customer.

## 10. SECURITY/DEPOSIT

**10.1.** When Multipay Congo deems it necessary, it then reserves the right to require that the user be able to provide (or have provided) a guarantee in a form agreed by the Parties in order to guarantee the execution of the real, possible or potential obligations of the users under these T&Cs; otherwise, in relation to the services below, this guarantee may take the form of a cash deposit, a rolling reserve, government security via its instruments (Treasury bills and bonds), a bank guarantee or insurance guarantee, or any other guarantee or compensation.
